Java | Python | C | HTML | CSS | JS | ReactJs | ExpressJs | MySql | MongoDB | Git | GitHub | Postman

Work Experience

Vanshika Group Tuitions	Assistant Teacher	**Mar 21**

- Helping students from **grades 1 to 8** achieve academic success.
- I have assisted students in achieving good grades through **personalized attention and guidance.**

Budrani Group Tuitions	Assistant Teacher	**July 21**

- Assisted the lead instructor as an instructor Assistant with class **planning, grading, and student supervision.**
- I helped create a **productive** earning environment by **collaborating effectively** with the lead teacher and students.

Projects

E-Commerce WebSite.	**Dec 22**

The E-commerce website project is a comprehensive online shopping platform with modular functionalities.

- The e-commerce platform provides **secure payment methods, diverse products, and a user-friendly UI.**
- The website is designed to provide users with a seamless and responsive shopping experience.
- **TechStack: React, Express, MongoDB.**

Dashboard.	**Jan 23**

The dashboard is a powerful tool that provides a comprehensive overview.

- I developed a feature-packed dashboard enabling the admin to manage goods with a **session-saving** user experience.
- The application offers functionalities such as **add, search, update, delete, sort, and filter** products**.**
- **TechStack: React, Express, MongoDB.**

Career Guidance System.	**Sept 22**

*Developed Career Guidance System **Web App** to help students choose the right educational field.*

- The main aim is to provide a website that helps users make better career choices through **personalized suggestions.**
- Conducted various tests to identify students' **Strengths and Weaknesses.**
- **TechStack: Angular, SpringBoot, SqlServer.**

Academic and Extracurricular Achievements

- **1st runner-up** of 15 teams **at IIT Jodhpur's** 22nd HackOverFlow **Hackathon.**	**Jan 23**
- **Certificate Of Participation** for taking part in a tech quiz **at IIT Jodhpur.**	**Jan 23**
- **Campus Ambassador offer letter** by Verzeo.	**Aug 22**
- **Certificate Of Appreciation** by Verzeo**.**	**Aug 22**
- Planned and Executed the VESIT-initiated **Clothing Campaign.**	**Sep 22**

Positions of Responsibility

**Placement Cell VESIT	Placement Coordinator**	**Mar 23-present**

- I oversee the entire placement process, coordinate with students, and plan relevant events.
- By addressing concerns and queries on time and with professionalism, I provide helpful assistance to students.

**IEEE VESIT	Member**	**Mar 23-present**

- Attended Various Workshops organized by the IEEE.
